# Nostalgia

- “its delicate, but potent. In Greek nostalgia literally means ‘the pain from an old wound.’ It’s a twinge in your heart far more powerful than memory alone. This device isn’t a spaceship, it’s a time machine. It goes backwards, and forwards... it takes us to a place where we ache to go again. It’s not called the wheel, It’s called the carousel.

It let’s us travel the way a child travels – around and around, and back home again, to a place where we know are loved.”

*“Mad Men Don Draper”*

## 2023 General Session Battelle Hall

## **The Ohio Fair Managers is pleased to induct into the Ohio Fair's Hall of Fame**

Patricia Bush with her late husband Jake Bush have been traveling with their concession business since the 1950's playing many Ohio county fairs, Festivals and Events. In the 1960's and 70's they traveled and played some out of State Fairs and Festivals while they journeyed around the US.

Pat and Jake over the years had many food trailers including Cotton Candy, Lemonade and of course Pat's Real Italian Sausage, along with many game trailers. They always gave back to their fairs and events by supporting them with sponsoring picnic tables, benches, picnic shelters, new bathrooms and buildings. At Summit County Fair, Bush Concessions sponsored many benches, picnic tables, a Picnic Pavilion, the reroofing and siding of the pavilion, donates to our fundraising, always buys at our Jr. Fair Bake Auction, recently purchased memorial slates for our New Youth Building Campaign and has always supported our Jr. Fairboard with donating supplies and prizes to our games during fair and to their Auctions and Reverse Raffles.

Pat and Jake started attending the OFMA convention in the early 1960s as a way to network, learn new items in the business and see old friends and make new ones. Pat was a member for years of the Greater Ohio Showman Associations and attended the convention and their GOSA annual meeting. Pat was and is a supporter of the OF- MA /GOAS Reverse Raffle selling tickets, and donating to the auction.

Pat and Jake were Showman of the Year through GOSA, won an award from the Wayne County Fair for Outstanding Service, won an award from Summit County Fair for best stand on the midway and have been honored in their hometown for support of the community. Pat and Jake had two children, Susie and William Bush and two grandchildren Jake and Alexia. Both her children and grandchildren are in the concession business. Pat was known as "mom" and "grandma" to many around the fairs and with other concessionaires. Pat cared about all her Fair family. From the ones that was related to her and the ones that were not. You could always stop by her sausage trailer and swap stories and she always remembered you.

**The Ohio Fair Managers Association is proud to induct Patricia Bush posthumously for the support to Fairs, Ohio Fairs Industry, Greater Ohio Showman and service to our community into the Ohio Fairs Hall of Fame Class of 2023**

The Annual Communications Awards are Due October 20 and are graded by Fair Officials, Industry suppliers and Awarded with Judges Notes.

## **The Ohio Fair Managers is pleased to induct into the Ohio Fair's Hall of Fame Wayne Arnold, Fayette County Fair**

Wayne Arnold has served as a Director on the Fayette County Fair Board for the past 28 years. He has also served as a 4-H Advisor for 60 years served on the Fayette County Republican Central Committee for several years as chair, on The Miami Trace School district school board 4 years, The Fayette County Shepherd's Club. And the Miami Trace FFA Alumni group.

Wayne's greatest wish was to see a new Small Animal's barn built on the Fayette County Fairgrounds. He was instrumental in making that dream complete.

He headed many fund raisers by the Fair Board, Solicited donations and spent countless hours working to complete the barn. The Fair Board has recognized his efforts in raffles as he is usually in the top two to sell tickets or sponsorships. He currently serves on the camping, speed/horse committee, director of the small animals' area, as well as the grounds committee for the Fayette County Senior Fair Board. His dedication to Fayette County is overwhelming. Any youth in 4-H, FFA, Girl Scouts, Boy Scouts know who to turn to if they need help. Wayne is recognized by our youth at school functions where he referees ball games at least twice a week during the seasons.

Mr. Arnold is highly active in the FFA alumni program in Fayette County. Many events for the fair or FFA you will find him hauling his equipment to help prepare the project at hand. His donated hours never go unnoticed by our community.

The O.S.U Extension of Fayette County often relies on Wayne to help at the extension office as they prepare for the County Fair with skillathons and other judging projects. He is a huge asset with his help during the 4-H livestock sales loading out animals and hauling animals to the stockyard after the sales.

**The Ohio Fair Managers Association is proud to induct Wayne Arnold for the support to The Fayette County Fair, Ohio Fairs Industry, and service to our community into the Ohio Fairs**

## **The Ohio Fair Managers is pleased to induct into the Ohio Fair's Hall of Fame Robert "Bob" Dryer, Medina County Fair**

Bob's entire life has been one of passionate devotion to his beloved wife of 51 years, Margaret (who he met and wooed at the Medina County Fair); devoted Dad to their 4 children (also being a 4-H advisor, member of numerous Black River H.S. Booster organizations, Boy Scout leader); devoted to his country by enlisting and serving as a Seabee in the Vietnam War; toiled over 40 years as a hard working machinist since retired; Bob along with fellow board member, Stuart Neal, delivered food to participating agencies throughout Medina County – helping those that are food insecure. And his total ardent devotion to all things Medina County Fair, serving 33 years from physically building our fair buildings, chairing numerous committees such as Grounds Chair. It was not only Bob's responsibility to make sure our Fairgrounds were properly maintained, but also supervise our grounds staff.

We have hired members of our Amish Community to complete many building projects. When the Amish indicated they could no longer work at the Fairgrounds because it was too far to go by buggy, Bob showed his level of commitment by picking them up every morning and taking them home every night. Bob would spend the day with them on the grounds making sure they had everything they needed to complete their work. Clean restrooms are always important wherever families go for entertainment, and fairgrounds are no exception. Bob has chaired the Restroom Committee for many years, making sure we hire and retain people that will get the job done.

The Medina County Fair has always been known for its Demo Derbies. From the number of cars, the level of competition, safety procedures, inspections, and rules, that all work together to create a great show. The demo derbies have routinely been some of our highest attended events. The reputation that exists today, is due in large part to the work of Bob Dreher and his longtime friend Jack Maxwell. Together they built a tremendous program. It is without a doubt that Bob's "Can do" attitude comes from his service as a Navy Seabee in Vietnam. While exposure to Agent Orange has created several health issues and slowed Bob down, but it has not stopped him. Although it takes more effort, you can still count on him to be in his seat for board meetings. We are truly blessed to have Robert "Bob" Dreher on the Medina County Fair Board.

**The Ohio Fair Managers Association is proud to induct Robert "Bob" Dreher for the support to The Medina County Fair, Ohio Fairs Industry, and service to our community into the Ohio Fairs Hall of Fame Class of 2023**

## **The Ohio Fair Managers is pleased to induct into the Ohio Fair's Hall of Fame Harold E. Crowe, Montgomery County Fair & Ohio State Fair**

Harold E. Crowe has been a fair supporter all of his life. He met his wife, Betty Kinsey at the Ohio State Fair in 1953, and they were married on December 12, 1955. They had 2 sons, Doug of New Lebanon and Steve (deceased), and 2 granddaughters. Betty was always at Harold's elbow helping with all of his projects, even wearing matching shirts. Sadly Betty passed away in 2005.

Harold graduated from Dixie High School in 1948; he received the National FFA Star Farmer Degree that same year. He was elected to the Montgomery County Fair Board in 1953 and became deeply involved in the workings of the Board. He was heavily involved in the battle to save the fairgrounds on Main Street in Dayton in the late 50's and early 60's which took a lot of fast maneuvering and late night work to prevail. He was involved in the planning for the renovation of the historic Roundhouse on the fairgrounds in the 50's, as well as the construction of the Ohio State Cooperative Extension Office (which was the first one in Ohio to be built on a fairgrounds).

At the 1966 Montgomery County Fair Harold was privileged to escort President Lyndon B. Johnson and Lady Bird Johnson around the fair.

Harold became President of the Montgomery County Agricultural Society in 1974, and Fair Manager in 1977, and served in both capacities through 1996. He was President in 1985 when the fairgrounds lost three livestock barns to a large fire. He was responsible for seeing to the construction of one large building to replace those buildings. Later in his tenure the hog barn would be replaced with a versatile building that would serve many uses in the years to follow. He remained on the fair board for several years after he ended his term as president, serving on several committees through 2006.

Harold was also an advisor for several years with Happy Farmers 4-H Club.

Also serving as a member of the Ohio Fair Managers Association for several years, Harold was President in 1994 and 1995, and was on numerous committees. He was very involved in the planning and execution of several fall tours. Harold's favorite lunch stop was McDonalds with the Buses.

Harold served 13 years on the Ohio Expositions Commission (1994-2006), and was Chairman in 1998-1999.

Harold was also a member of several other organizations such as Montgomery County Cattle-men's Association and Montgomery County Pork Producers Association.

Harold is active in the Salem Lutheran Church in West Alexandria, having served as church elder, trustee, deacon, and on various committees.

His son Doug remembers his Dad was always promoting the fair; the whole family brought Montgomery County fair books to any fair they went to and handed them out! Harold was always a big supporter of the Montgomery County Fair, the Ohio State Fair, and all of the fairs in Ohio.

**The Ohio Fair Managers Association is proud to induct Harold E. Crowe for the support to Fairs, Ohio Fairs Industry, and service to our community into the Ohio Fairs Hall of Fame Class of 2023**

## **The Ohio Fair Managers is pleased to induct into the Ohio Fair's Hall of Fame David Niley, Darke County Fair**

Dave was elected to serve as a Board Member for the Darke County Agricultural Society in August of 2001, began his term in November of 2001 and served consecutively until November of 2022 (22 years). Dave was a member of the Buildings and Grounds Committee from 2006 to 2022. During this time, Dave was very involved in multiple capital improvement projects such as: Grandstand Seating Renovation, New North End Restroom & Shower facility, new Beef and Dairy Cattle Pavilion and Milking Parlor, Ohio/Spiritual Life Center Renovation and new Swine Barn.

Dave served on the following committees from 2001 to 2022. Audit/Budget 2011-2013; Capital Improvements 2002, 2017, 2018; Safety/Security 2002-2022; Parking 2004, 2008-2017; Anderson's Grant 2015-2016, Executive/Legal 2011, 2013; Rates 2011-2013; Vendors 2008-2017; Equipment 2005, 2006; Senior Citizens 2005; Buildings/Grounds 2006-2022.

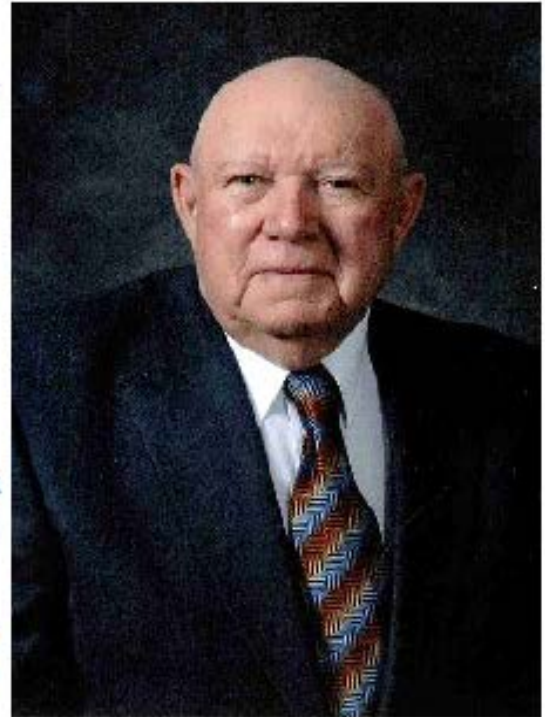

As a member of the Safety Committee, Dave worked very hard to restructure the entry and exit methods for foot and motor vehicle traffic during the annual fair after a fatal accident took place on a State Highway leading to two Fair entry/exit gates. Each year, Dave and the entire Safety Committee that consists of Greenville Fire, Rescue, Police, Darke County Sheriff Department, Ohio Department of Transportation and Fairboard Committee members meet prior to and after the annual Fair to evaluate and modify the safety protocols as they pertain to the safety of all fairgoers. Dave has been chairman of the annual Fair demolition for 22 years and this event sells out each year and continues to be a fairgoer favorite.

During his tenure as a Fairboard member, Dave has spoken and promoted the Fair at Rotary Meetings, Mason Blue Lodge Meetings, Antioch Shrine of Dayton Meetings, Darke County Shrine Club Meetings and to anyone who would give Dave a few minutes to inform them about the events taking place at the Fair.

Dave loved his community and was involved with just about everything. He was a member of the Greenville Masonic Lodge for over 60 years; the ancient accepted Scottish Rite, Valley of Dayton, where he was a 32nd Degree Mason; the Antioch Shrine of Dayton and the Darke County Shrine Club, where he served as a past president. Dave was a member of the Rolling 50's Car Club, where he served as president and helped planned many car shows throughout the years. He and his wife Karen, were members of the St. Paul United Church of Christ in Greenville, where he was a long-time trustee. Dave will forever be remembered for his contagious smile, ornery personality, and his notable character. Most of all, Dave was a friend to all and a stranger to no one.

Dave Niley married Karen (Gangwer) on March 24, 1956. Karen passed away on February 11, 2016 at the age of 75, just a month short of being married for 60 years. Dave had been battling cancer for the past few years. Dave was aware that his nomination to the OFMA Hall of Fame was approved and he was looking forward to being presented and accepting the award at the 2023 OFMA Convention. This award was a great highlight for Dave. Unfortunately, Dave lost his battle with cancer on November 24, 2022. His family members humbly accept the award on Dave's behalf.

**The Ohio Fair Managers Association is proud to induct David Niley for the support to Fairs, Ohio Fairs Industry, and service to our community into the Ohio Fairs Hall of Fame Class of 2023.**

## **The Ohio Fair Managers is pleased to induct into the Ohio Fair's Hall of Fame Ronald Grosjean Wayne County Fair**

Ron Grosjean has dedicated most of his life to the Wayne County Fair, from the time he exhibited livestock there as a 4-H and FFA member to serving as a fair director for 43 years to being one of its biggest supporters in his retirement.

He has been a driving force in making one of the best fair in Ohio better.

As a fair director, Ron saw 50 percent of the fair's facilities remodeled, updated and some replaced. The fairgrounds' Event Center is dedicated to him in recognition of his tireless efforts to raise money, the family's personal contributions, and plans for its construction.

At his request, the board of directors organized a committee to handle parking and security at the fair - a committee he chaired for 37 years. Additionally, he helped start the shuttle wagon service to haul visitors back and forth from the

main grounds to the parking area and was instrumental in developing a new mobile stage which could easily be pulled around the track and into position for grandstand shows. He also was part of a committee that was responsible for revamping some areas of the fairgrounds to make them more handicapped accessible, and for the original organizer of the fair poop patrol know known as the fair staff that hulls all the manure and assists the board in fair activities.

Ron is a recipient of the Ohio Department of Agriculture Award for Excellence and Innovation.

Now retired from the fair board, he continues to support the fair by providing a large display of antique farm machinery and faithfully attends junior fair shows to watch his grandchildren exhibit their projects.

In an effort to preserve and teach agricultural history, Ron was instrumental in organizing Friends of the Wayne County Fair, a group that operates the Buckeye Agricultural Museum and Education Center, located across the street from the fairgrounds. Ron serves as president of the board that oversees the museum housing more than 3,200 artifacts and relics of the past.

Ron also operates his own antique farm equipment museum JR Acres, which houses more than 10,000 pieces of equipment and artifacts, including a collection of Oliver tractors.

Retired from Ken Miller Supply, he is a 46-year member of the Ohio Oil and Gas Board and operates a livestock and grain farm. He raises nearly 300 sheep and 100 brood cows and calves and corn, soybeans and hay.

He is a 50-year member of the Shreve United Methodist Church. He and his wife Janie have two grown children (and their spouses) and six grandchildren.

**The Ohio Fair Managers Association is proud to induct Ron Grosjean for the support to Fairs, Ohio Fairs Industry, and service to our community into the Ohio Fairs Hall of Fame Class of 2023**
